PETITIONING THE COURT

To modify the conditions of supervision as follows:

- 21 You shall complete a sex offender evaluation, which may include psychological and polygraph testing. You shall pay according to your ability and allow the reciprocal release of information between the treatment provider and supervising officer.

CAUSE

Washington State last completed a sex offender level on Mr. James prior to 2000. Since that time, the Static-99 leveling tool has been implemented in Washington State. The tool was applied and it was determined the defendant's sex offense level is now, one. In an effort to confirm this level, the defendant has agreed to complete an assessment and a polygraph examination in an effort to support the finding from the tool and ascertain potential risk to the community.
